

***We Celebrate
Sukkot
Simchat Torah***

From the Bimah

Rosh Hashanah and Yom Kippur have now come and gone. Attendance was good and the participation of our congregation was quite good as well. Yom Kippur away from our synagogue was very different, but interesting. We enjoyed meeting a variety of new people who otherwise may not have joined us. Now we look to Sukkot and beyond. The Torah offers a glimpse into the meaning of Sukkot, as our instructions are to build temporary shelters and spend time dwelling in them joyously. Obviously, we recognize that our very lives are temporary and that we are in God's hands.. This thought should never keep us from enjoying our existence and the good things God has given us. Family, friends, our community and a good country are all things to be grateful for. Let us this year celebrate Sukkot, Thanksgiving and then Chanukah with a spirit of gratitude to the God that has bestowed so much good upon us.

Joe & Robin

From our President

Hi Everyone! It feels good to breathe again, with the High Holidays done for this year. Personally, I thought that our services, both at the temple and at the Black Box Theatre, were excellent. I want to thank everyone involved in setting everything up, especially Joyce Cohen.

Everything was more challenging this year, with having Yom Kippur services off-site. We had numerous items to take (and return). Thanks to Joe and Robin for taking the Torahs, and for the beautiful harp music. Another thanks to Joe for starting a choir, and to my fellow choir members for their time for rehearsals, and their voices.

I heard numerous positive comments about the services at the Black Box Theatre. If you have comments, please let me know. I'd like to plan further in advance for next year.

Still on the topic of the High Holidays, I want thank Ava and Bev, as well as others who helped with the Lunch and Learn. It was great!

Regina, along with the ladies of the Congregation, prepared wonderful food for Break the Fast, and had beautiful table settings. Thank You to all!

We're starting out October on the first with another Shalom Y'All Craft Fair at the Clermont Arts and Recreation Center. I hope to see everyone there to support our local crafts people. We have a lot of very talented people who will be offering their crafts. And if you come, come Hungry! We will have the CRAVE Food Truck again. Their food is great!

Please remember that we will begin our Friday night services at 7 PM beginning October 6th. We had a vote of the congregation that resulted in a slim vote for the

earlier starting time. We will try it for the month of October, and will take a look at it at that time to determine if we keep the earlier time.

Have a great October. L'Shana Tovah!

Lou

From the Sisterhood

Thank you to our sisters who came out to our Sisterhood Paid Up Membership 'Italian' luncheon held at Café' Congregation Sinai on September 21st. We had a great turnout with a lot of great ideas to do outreach to many organizations in our neighborhood. Also, we have a lot of great events planned and hope if you haven't paid your dues yet, that you will and join us in our future events.

One of our outreach programs is to donate non-perishable food to The Neighborhood Center of South Lake (formally Faith Neighborhood) located in Groveland. Thanks to our many members, we have donated over 39 pounds of food in July alone. We just brought more food there just last week from our community food drive. It's a great mitzvah to help others in need.

One of our fundraisers is to sign up and use Raise Right. There are over 750 store brands participating and basically you order an e-gift card online with our membership information, and a percentage of the e-gift card amount is donated back to our Sisterhood. The percentage is based on when you make the purchase and you do not have to use it right away. Some brands can be purchased with a minimum as low as \$5. They also have bonuses where some restaurants (that we use for share night) offer up to 15%. So for example, if you stock up and purchase a \$100 gift card when they offer 15%, sisterhood earned \$15, just from you. If you went to dinner with 6 people who also used Raise Right, that \$15 just turned into \$90, so you can see how this can easily add up. Please contact me for our sign up information or any questions you might have. I'll be glad to help you with this.

Another way that you can help us is to purchase Tributes from Karen Miller. A Tribute is a card that is sent to anyone (even non-members) to celebrate birthdays, anniversaries, graduations, bar

and bat mitzvahs, congratulations, happy new year's and in addition, get well, sympathy or even thinking of you. Your donation of \$6.50 per card saves you the time of going to the store to look for a card, finding a stamp and going out to mail it. Karen does it all. You can send your payment to Marsha either online, by mail or in person.

Save the dates – October 19th will be lunch at McAllister's followed by a tour of Bruster's ice cream.

January 25, 2024 for our awesome Fashion Show. Tickets are on sale now.

Thank you for all your support for Congregation Sinai Sisterhood. Each one of you are awesome.

Happy Birthday Bev !!!

Message from Michele Sobel

Dear Congregants

Last night after our terrific closing Yom Kippur service, we had a wonderful break the fast. We had 45 people there, which is the largest we've ever had in this building. Everything was wonderful and plentiful, and did justice to our High Holiday service conclusion.

I want to thank my committee: Wendy Payne, Karen Mandel, Gwen Levy and Regina and Alberto Behar who shopped 'til they dropped and also cooked and baked.

We had set up and clean up volunteers in addition to the committee. Liz Perez, Joan Mager, Janet Bloom (as always), Vicki Dingee, Toby Chanes, and Ava McKean (If you think she was a good Sisterhood President, you should see her as a mean dishwasher).

Thank you to all who contributed by preparing kugels, salads, and desserts, set up and cleaned up. To those who merely showed up and felt they were entitled to leftovers, please think about joining a committee or doing an oneg. This will put you on the entitled list.

I thank you all for helping make our Break the Fast the success that it was.

Michele
